On arrival we should have time to go on an optional walk to a nearby Maasai village, or visit a reptile house and snake-bite clinic that are run by the campsite. Today we will be met by our fleet of 6-person 4x4 jeeps - we will load the jeeps with our camping and personal gear, and then head out for our 4-day excursion to the Tarangire NP, Serengeti and Ngorongoro Crater, leaving our truck behind.

We will also be leaving our large bags behind (where they will be stored in a secure location), and advise you to bring along a smaller daypack for your personal gear for this trip that will need to be packed soon after the group meeting before we set off. You should pack clothing for 4 days (including a warm jumper or fleece and long trousers), a waterproof jacket, toiletries (including sun screen and insect repellent), your camera and charger, a small towel, a head torch, a water bottle (as there are no single use plastics or bottles available during this excursion), books and personal snacks, etc.

We will have a safety talk with our safari guides and then on to a day drive within Tarangire NP followed by a treetop walkway in the afternoon. You should have many opportunities for photographs so remember your cameras!

Once we make it into our camp site we will have our evening meal before the opportunity for a night game drive to Lake Manyara.

## Daily Activities

### Included Activities

Head on an unforgettable safari in 4x4s into the Serengeti, Tarangire and Ngorongoro Crater National Reserves - three of the world's most incredible areas for wildlife spotting

## Day 5 - Serengeti NP (14th October 2020)

**Meals:** Breakfast, Lunch, Dinner

This morning we will make our way down into the plains of the Serengeti. We will take an evening game drive around the savanna before heading to our campsite - the area is one of the world's premier spots for wildlife viewing and we hope to be able to find elephants, lions, leopards, giraffe and other big game during our time here!

Tonight we will stay at a campsite within the Serengeti NP. The camp where we stay is very basic (with showers and flush toilets, but no other facilities) but is located right in the middle of the plains, surrounded by animals and their nocturnal noises! Your leader will outline the basic safety rules to be followed when camping in an unfenced location where wild animals are present.

We will return to our campsite for lunch, and then aim to exit the Serengeti early afternoon. We will head back through the conservation area to our next campsite, on the rim of the Ngorongoro Crater, where we will arrive in the early evening.

Again, the campsite tonight is very basic and unfenced. It can often be quite cold on the crater rim so it is recommended that you take some warm clothes for this night.

## Day 6 - Serengeti NP (15th October 2020)

**Meals:** Breakfast, Lunch, Dinner

The next morning we will get up very early and we set off in our jeeps for an early morning game drive in the heart of the Serengeti plains. The early morning is the best time of day for wildlife viewing, as many of the animals are at their most active while it is still cool.

There is an option this morning to take a hot air balloon flight over the Serengeti instead of the game drive - demand is high for this activity, so this must be pre-booked at the time that you booked your trip with us.

## Daily Activities

### Optional Activities

Hot Air Balloon ride in the Serengeti (this must be pre booked through your sales consultant)

Optional Balloon Safari: 700 USD

## Day 7 - Arusha (16th October 2020)

**Meals:** Breakfast, Lunch, Dinner

This morning we will have another early start to descend into the world-famous Ngorongoro Crater for a morning game drive. Again, the Ngorongoro Crater is an outstanding area for wildlife spotting, often described as a 'natural wildlife enclosure'. This is the best chance on the excursion to spot black rhinos as well as a myriad of other big game.

We will spend as long as our entry tickets allow in the Ngorongoro Crater before departing, which will usually give us about 3-4 hours of game driving. We will then be dropped off at our campsite back in Arusha, where we are re-united with our truck.

We will have a well-deserved free afternoon to relax at our excellent campsite or to do some of the optional activities on offer here.

## Day 8 - Lushoto (17th October 2020)

**Meals:** Breakfast, Lunch, Dinner

This morning we will set off again in our overland truck and head east to Lushoto via Marangu, where we have a nightstop camping in the grounds of a beautiful colonial hotel at the base of Mount Kilimanjaro. We will go past the whole length of Mount Kilimanjaro where we'll hope for clear skies and fantastic views of the mountain from the road.

## Day 9 - Lushoto (18th October 2020)

**Meals:** Breakfast, Lunch, Dinner

In Lushoto we will camp in the grounds of a hotel. We have 2 nights here. Today we can go on a mountain walk for the morning and visit some great viewpoints. We have time to recharge before we are on the move again!

When we reach Zanzibar we will meet our local guide, who will help us check in to our hotel in Stone Town and then give a quick orientation of the town before we branch off and head to lunch! We will have a free afternoon to explore the atmospheric streets of the historic centre of Stone Town, with the option of meeting for sunset drinks at Africa House and heading out to the night markets for a local dinner.

In Stone Town we will stay in a good local hotel.

## IMPORTANT NOTES

### OVERLANDING LIFESTYLE

Dragoman was founded in 1981, and has had many years of experience of leading overland trips across 4 continents. Overlanding is all about sharing a great travelling experience with like-minded people. On your trip you'll travel in one of Dragoman's purpose-built iconic expedition vehicles on an off-the-beaten-track adventure along rugged roads, experiencing the sights, sounds and smells of the world up-close. Your journey will be overland, sometimes across vast distances, so some long days spent driving are inevitable - but these will be interspersed with breaks of a day or two at a destination or activity.

On an overland journey, you are more than just a passenger and everyone gets involved setting up camp - we supply the tent but it's up to you to pitch it! As part of your trip, you will be assigned a truck job which could be collecting firewood or water, luggage loading, organising food, stores, etc. Like all great adventures, the more you put in the more you'll get out! For more details of how an overlanding trip works, please see the Essential Information document.

### SAFETY STANDARDS

We run adventure journeys in off the beaten track areas, which often have poor infrastructure. You should expect that some of these areas do not adhere to 'Western' safety standards. For more information, please see the Essential Information document

### MEDICAL ASSISTANCE IN REMOTE AREAS

We will be travelling to areas in remote locations where medical assistance will not be available, and communications may be sparse. We do not carry satellite phones on our regular trips. Therefore, if you have a medical condition such as a heart condition that would put you at risk, we would suggest that this is not the trip for you. Also, please be aware that should an emergency occur, there is likely to be a considerable delay in accessing medical care, and by joining our trip you accept this risk.

## VISAS, HEALTH, INSURANCE & MONEY

Before you travel there are vital things to consider such as:

- Any visas needed for your trip
- Any vaccinations needed (please consult your GP or travel clinic)
- Organising your local payment (the kitty)
- Buying travel insurance (insurance is compulsory to be allowed to join our trips)

For more information on these topics, please see the Essential Information Document.
