Daily Activities

Included Activities

Trek on foot in the Budongo Forest in search of habituated chimpanzees

Included

Day 7 - Murchison Falls NP (31st January 2023)

If we had to split the group for chimpanzee tracking, the other half of the group will head out for the walk this morning. When we are ready to continue, we will drive to the central region of Murchison Falls NP to reach our campsite.

Please note that the roads leading into and around Murchison Falls are very poor and can be hazardous in wet conditions. If there has been heavy rain recently, it may not be possible to go into the NP beyond Kaniyo Pabidi - this is firstly for safety reasons on the drive in, and secondly due to the risk of extreme bogging that could cause us to miss the gorilla treks further along in our trip. We will always endeavour to reach the NP as per the itinerary; but when this is occasionally not possible, please respect the tour leader's decision in this matter. On these occasions we will be able to utilise this time with spending longer in Lake Bunyonyi.

Day 13 - Bwindi Impenetrable NP (6th February 2023)

Meals: Breakfast, Lunch, Dinner

Here we will go on what is undoubtedly the highlight of the trip - trekking to see the Mountain Gorillas in their natural forest habitat.

This region is one of the last remaining sanctuaries for the mountain gorilla. No more than 8 people per day can visit any one habituated family, and visits are strictly controlled to minimise the possibility of disturbance or transmission of disease to the animals.

Tracking gorillas in the dense forest can sometimes be wet, muddy and uncomfortable. The terrain is by no means easy either, so it can be pretty strenuous and often humid; however, the sheer thrill of coming across a habituated group of gorillas, dominated by a great male silverback, more than outweighs any difficulty. You need to be prepared and fit enough to walk at least 4 hours - uphill and downhill. We can usually get very close to the mountain gorillas, who are placid and gentle, and watching their movements is like seeing a mirror image of yourself! Once you find them, you will stay with the gorillas for one unforgettable hour!

When visiting the gorillas you will be assigned a trekking group and time on your permit. The group may be split up into different trekking groups during the day.

In Bwindi we will stay in a campsite that occasionally has some very special visitors, the incredible mountain gorillas!

Please note that the gorilla permits are paid for in full by the trip kitty - however, we have to purchase the permits in advance on the customers' behalf, so a higher deposit is charged on the trip price to protect us from losing this money in the event of cancellation - please see the notes at the end for further detail.

ITINERARY DISCLAIMER

The routes, activities and places visited described in these notes are intentions and are meant as a rough guide only. By their very nature, overland itineraries need to be flexible and the regions that we are travelling through are often unpredictable. We intend to follow the planned route but exact night stops and inclusions cannot be guaranteed and it sometimes happens that we decide to make a change to our planned itinerary. This may be for a variety of reasons; climatic, road or bureaucratic conditions may demand it. Changes to the itinerary may occur with little notice so please be prepared for modifications to your trip.

Drive Times

Drive times are listed in the day-to-day itinerary. These are the approximate number of hours that the vehicle will be in motion, and does not include any time taken for coffee or lunch stops, border crossings, photo stops, activities en route, comfort breaks, shopping stops, toilet stops, etc. The times given are approximate estimates only and whilst given with the best of intentions, the drive times are heavily dependent on traffic, road conditions, weather, police roadblocks, and many other factors.

Accommodation and Meals Included

The type of accommodation and included meals are listed for each day of the itinerary. These listings show our intention and on most departures the listings will be accurate. However due to the flexible nature of overland itineraries, climatic, bureaucratic or road conditions may demand changes to our listed intentions or groups may simply decide to amend the plans from time to time.

Optional Activities

A selection of optional activities is listed in the day-to-day itinerary. This list is designed to be a helpful guide as to what is commonly available in each location, and is neither an exhaustive list, a guarantee that the activity is available, or an endorsement or recommendation. Certain activities may not be available on your particular visit and it may not be possible to do all the activities listed in the time available at each destination. It is recommended to give yourself extra time in your joining or ending city if you would like to participate in some optional activities there. Prices listed are for entrance only and do not include transport costs to and from the sites or local guides unless indicated. The prices are displayed according to our latest information and in the best faith, but prices do fluctuate due to exchange rates, season, numbers of participants, and simple increases from the operator, and therefore any prices listed are a guide only and cannot be guaranteed. If you partake in any optional activities, you do so at your own risk and it must be clearly understood that your participation is your own decision and does not form part of your contract with Dragoman. You may be required to sign/complete a waiver form or optional activity form for some optional activities. For more information around activity safety and insurance, please see the Essential Information document.

A FEW RULES

We expect all group members to act respectfully towards our staff and other group members. Bullying will not be tolerated.

Engaging in commercial or exploitative sexual activities, committing acts of violence or threatening violence towards local people, other group members or any member of our staff is not allowed. Any customer engaging in such activities will be required to leave the trip immediately with no refund of the trip price.

You must at all times comply with the laws, customs, foreign exchange and drug regulations of all countries visited and conduct yourself in accordance with our responsible travel policy. Any customer found contravening such laws or regulations will be required to leave the trip immediately with no refund of the trip price.

Although we are aware that in some parts of the world taking, carrying or selling drugs, or carrying weapons may be legal, it is not acceptable for Dragoman customers and our tour leaders have the right to ask you to leave the trip immediately with no refund of the trip price if you are found to be engaging in such activities.

ISSUES ON THE TRIP

While we always endeavour to provide the best possible holiday experience, due to the nature of travel and the areas we visit sometimes things can and do go wrong. Should any issue occur while you are on your trip, it is imperative that you discuss this with your group leader or our local partner straight away so that they can do their best to rectify the problem and save any potential negative impact on the rest of your trip.

We recognise that there may be times when your group leader may not be able to resolve a situation to your satisfaction. If this is the case please contact our customer relations department on customer-relations@dragoman.co.uk.

You may also choose to provide details in your feedback questionnaire which we ask you to complete at the end of your trip, but we do ask you to be aware that it is very difficult for us to provide any practical help after the trip is complete.

IMPORTANT NOTES

OVERLANDING LIFESTYLE

Dragoman was founded in 1981, and has had many years of experience of leading overland trips across 4 continents. Overlanding is all about sharing a great travelling experience with like-minded people. On your trip you'll travel in one of Dragoman's purpose-built iconic expedition vehicles on an off-the-beaten-track adventure along rugged roads, experiencing the sights, sounds and smells of the world up-close. Your journey will be overland, sometimes across vast distances, so some long days spent driving are inevitable - but these will be interspersed with breaks of a day or two at a destination or activity.

On an overland journey, you are more than just a passenger and everyone gets involved setting up camp - we supply the tent but it's up to you to pitch it! As part of your trip, you will be assigned a truck job which could be collecting firewood or water, luggage loading, organising food, stores, etc. Like all great adventures, the more you put in the more you'll get out! For more details of how an overlanding trip works, please see the Essential Information document.

SAFETY STANDARDS

We run adventure journeys in off the beaten track areas, which often have poor infrastructure. You should expect that some of these areas do not adhere to 'Western' safety standards. For more information, please see the Essential Information document

MEDICAL ASSISTANCE IN REMOTE AREAS

We will be travelling to areas in remote locations where medical assistance will not be available, and communications may be sparse. We do not carry satellite phones on our regular trips. Therefore, if you have a medical condition such as a heart condition that would put you at risk, we would suggest that this is not the trip for you. Also, please be aware that should an emergency occur, there is likely to be a considerable delay in accessing medical care, and by joining our trip you accept this risk.

VISAS, HEALTH, INSURANCE & MONEY

Before you travel there are vital things to consider such as:

- Any visas needed for your trip
- Any vaccinations needed (please consult your GP or travel clinic)
- Organising your local payment (the kitty)
- Buying travel insurance (insurance is compulsory to be allowed to join our trips)

For more information on these topics, please see the Essential Information Document.

GORILLA TREK NOTES

To track the gorillas you will need a permit. In order for us to confirm this permit we require the following:

1. Passport details at the time of booking
2. A non refundable trip deposit payment of GBP500 at the time of booking (higher than our usual trip deposit)

Please be aware that we cannot confirm your place on a gorilla trip without your passport details. Please also note that the cost of the permit is still covered entirely by the kitty as is normal for a cost of this type. The deposit mentioned is simply a higher trip deposit to protect Dragoman against cancellations, as we have to pay for the permits in full in advance and our tour leaders collect this amount back from the kitty.

The likelihood of seeing gorillas is virtually guaranteed; however, they are wild animals so we can never say that the chance is 100%.
