## Day 4 - Toubakouta (26th November 2020)

**Meals:** Breakfast, Lunch, Dinner

Today we start our journey south to the small town of Toubakouta, situated close to the Sine-Saloum Delta. On our full day in Toubakouta we will have an optional morning pirogue trip to a nearby village to see a slice of rural Senegalese life and to meet their charismatic female chief. ## Day 6 - Tendaba (28th November 2020)

**Meals:** Breakfast

---

**Border information:** Exit Senegal at Karang, enter The Gambia at Fass.

Today we will head across the border from Senegal into the small country of The Gambia, then cross the Gambia River on a local transport barge to arrive at the famous Tendaba Camp on the southern shore of the Gambia River. The ferry can be quite a chaotic local experience! Tendaba Camp was the first inland hotel in The Gambia, and is one of the most popular spots in the country for birdwatchers.

## Day 7 - Tendaba (29th November 2020)

**Meals:** Breakfast

---

Tendaba is located opposite the Bao Bolong Wetland Reserve, one of the premier birdwatching sites in Africa. **Border information:** Exit Senegal at Mpack, enter Guinea Bissau at São Domingos.

Today we will drive across the border into the very rarely-visited country of Guinea-Bissau, and drive to its capital of Bissau.

### Day 12 - Bissau (4th December 2020)

**Meals:** Breakfast

---

Today, we will have time to freely explore the city and the old Portuguese centre of Bissau Velho.

### Day 13 - Labe (5th December 2020)

**Meals:** Breakfast, Lunch, Dinner

---

**Border information:** Exit Guinea-Bissau at Kandika, enter Guinea at Kandika.

From Bissau we will journey through Guinea-Bissau and into the remote hilly areas of northern Guinea on our way to the town of Labé, the gateway to the stunning Fouta Djallon highland region. The roads on this section are very challenging dirt roads which take us through some incredibly remote areas, and our speed will largely be determined by the state of these roads - although getting to these areas is very special and a great adventure, even more flexibility will be required on these days!

### Day 14 - Labe (6th December 2020)

**Meals:** Breakfast, Lunch, Dinner

---

We will stop for 2 wild camps en route - the first is likely to be next to the Guinean border at Kandika, the second is likely to be in the highlands past the village of Seriba.

### Day 15 - Labe (7th December 2020)

**Meals:** Breakfast

---

Today we continue our drive and find ourselves another stunning wild camp ready to reach Labe tomorrow.

### Day 16 - Labe (8th December 2020)

**Meals:** Breakfast

---

From Labé we will set off for an included 2-day excursion to the heart of the Fouta Djallon region of Guinea.

On the first day we will travel in 4x4 jeeps through very remote country roads to the small rural community of Aïnguel (approximately a 4 hour drive). After lunch there will be a short 3-hour trek to a waterfall viewpoint and to the nearby 'Pont de Pierre' rock bridge where we have the chance to swim in a beautiful natural lagoon.

On this night we will stay in a very small and basic community-run guesthouse - please note that if the group is large, some people may need to sleep in tents just outside.

## Day 17 - Labe (9th December 2020)

**Meals:** Breakfast

---

On the second day there is a long 8-hour trek through the surrounding hills and villages taking in the incredible scenery. We will stop for a picnic lunch next to a stunning waterfall, where we have the opportunity to swim in the lagoon beneath. In the latter stages of the trek, we hope to be able to get to the base of a much larger and incredibly powerful waterfall, although this is dependent on the ground waters having receded enough after the rainy season to make this route passable.

Upon returning after this walk, we will immediately drive back in the 4x4s to Labe.

## Day 18 - Mamou (10th December 2020)

**Meals:** Breakfast

---

Leaving the Fouta Djallon region behind us, we head south through central Guinea to the town of Mamou.

## Day 19 - Southern Guinea (11th December 2020)

**Meals:** Breakfast, Lunch, Dinner

---

Today we will continue our drive south through Guinea, stopping to wild camp close to the border with Sierra Leone.

## Day 20 - Freetown Peninsula (12th December 2020)

**Meals:** Breakfast, Lunch, Dinner

---

**Border information:** Exit Guinea at Pamalap, enter Sierra Leone at Kindia.

Today we head to the stunning beaches of Freetown Peninsular, where we will spend 2 nights for some well-deserved relaxation after our journey through the tough roads of Guinea.

There are a few different options for which beaches we could choose to visit, our favourites being Bureh Beach at the south of the peninsular and River Number 2 Beach in the western part.

## Day 21 - Freetown Peninsula (13th December 2020)

**Meals:** Breakfast, Lunch, Dinner

---

We will have a full day for optional activities on the wonderful beaches - we could go fishing, take a boat to explore the Banana Islands, get to know the local communities, and of course relax on the beautiful beaches!

## Day 22 - Freetown (14th December 2020)

**Meals:** Breakfast

---

Today we will have a short drive up the western side of the Freetown Peninsular to arrive in the Aberdeen district of the city of Freetown, the capital of Sierra Leone.

## Day 23 - Freetown - End Date (15th December 2020)

**Meals:** Breakfast

---

**Border information:** if you are leaving in Freetown, you will most likely exit Sierra Leone at Freetown Lungi International Airport (IATA code: FNA).

Today is the end day for passengers finishing their trip in Freetown. Please note there is no accommodation included on the trip tonight - please contact the Sales Team if you are interested in booking extra nights of accommodation in order to fully explore and take part in some of the optional activities listed below.

*Airport information - the fastest and most reliable way to the airport from Freetown is by water-taxi, as Lungi is across a bay from the city. Our hotel in Freetown is a 200m walk to the jetty where the water-taxis depart from - the departure times for the water-taxis are linked to every flight in and out of Lungi airport (usually around 4 hours before the time of the flight). We advise that when the trip arrives in Freetown, you go to the jetty to check the timetable for the water-taxis for your flight and purchase a ticket in advance (USD40 or EUR35) - your trip leader will be able to assist with this. The ticket counter at the jetty is open 24 hours a day.*

*You should arrive at the jetty 30 minutes before the departure time, as you have to check in your large bags and take a luggage ticket. The water-taxi takes approximately 30 minutes, then you take a minibus for another 15 minutes to arrive at Lungi airport. Your large bags will be waiting for you at the water-taxi office on the left-hand-side of the airport entrance, just hand in your luggage ticket to get them back.*

## ITINERARY DISCLAIMER

The routes, activities and places visited described in these notes are intentions and are meant as a rough guide only. By their very nature, overland itineraries need to be flexible and the regions that we are travelling through are often unpredictable. We intend to follow the planned route but exact night stops and inclusions cannot be guaranteed and it sometimes happens that we decide to make a change to our planned itinerary. This may be for a variety of reasons; climatic, road or bureaucratic conditions may demand it. Changes to the itinerary may occur with little notice so please be prepared for modifications to your trip.

### Drive Times

Drive times are listed in the day-to-day itinerary. These are the approximate number of hours that the vehicle will be in motion, and does not include any time taken for coffee or lunch stops, border crossings, photo stops, activities en route, comfort breaks, shopping stops, toilet stops, etc. The times given are approximate estimates only and whilst given with the best of intentions, the drive times are heavily dependent on traffic, road conditions, weather, police roadblocks, and many other factors.

### Accommodation and Meals Included

The type of accommodation and included meals are listed for each day of the itinerary. These listings show our intention and on most departures the listings will be accurate. However due to the flexible nature of overland itineraries, climatic, bureaucratic or road conditions may demand changes to our listed intentions or groups may simply decide to amend the plans from time to time.

### Optional Activities

A selection of optional activities is listed in the day-to-day itinerary. This list is designed to be a helpful guide as to what is commonly available in each location, and is neither an exhaustive list, a guarantee that the activity is available, or an endorsement or recommendation. Certain activities may not be available on your particular visit and it may not be possible to do all the activities listed in the time available at each destination. It is recommended to give yourself extra time in your joining or ending city if you would like to participate in some optional activities there. Prices listed are for entrance only and do not include transport costs to and from the sites or local guides unless indicated. The prices are displayed according to our latest information and in the best faith, but prices do fluctuate due to exchange rates, season, numbers of participants, and simple increases from the operator, and therefore any prices listed are a guide only and cannot be guaranteed. If you partake in any optional activities, you do so at your own risk and it must be clearly understood that your participation is your own decision and does not form part of your contract with Dragoman. You may be required to sign/complete a waiver form or optional activity form for some optional activities. For more information around activity safety and insurance, please see the Essential Information document.

## IMPORTANT NOTES

### OVERLANDING LIFESTYLE

Dragoman was founded in 1981, and has had many years of experience of leading overland trips across 4 continents. Overlanding is all about sharing a great travelling experience with like-minded people. On your trip you'll travel in one of Dragoman's purpose-built iconic expedition vehicles on an off-the-beaten-track adventure along rugged roads, experiencing the sights, sounds and smells of the world up-close. Your journey will be overland, sometimes across vast distances, so some long days spent driving are inevitable - but these will be interspersed with breaks of a day or two at a destination or activity.

On an overland journey, you are more than just a passenger and everyone gets involved setting up camp - we supply the tent but it's up to you to pitch it! As part of your trip, you will be assigned a truck job which could be collecting firewood or water, luggage loading, organising food, stores, etc. Like all great adventures, the more you put in the more you'll get out! For more details of how an overlanding trip works, please see the Essential Information document.

### SAFETY STANDARDS

We run adventure journeys in off the beaten track areas, which often have poor infrastructure. You should expect that some of these areas do not adhere to 'Western' safety standards. For more information, please see the Essential Information document

### MEDICAL ASSISTANCE IN REMOTE AREAS

We will be travelling to areas in remote locations where medical assistance will not be available, and communications may be sparse. We do not carry satellite phones on our regular trips. Therefore, if you have a medical condition such as a heart condition that would put you at risk, we would suggest that this is not the trip for you. Also, please be aware that should an emergency occur, there is likely to be a considerable delay in accessing medical care, and by joining our trip you accept this risk.

### VISAS, HEALTH, INSURANCE & MONEY

Before you travel there are vital things to consider such as:

- Any visas needed for your trip
- Any vaccinations needed (please consult your GP or travel clinic)
- Organising your local payment (the kitty)
- Buying travel insurance (insurance is compulsory to be allowed to join our trips)

For more information on these topics, please see the Essential Information Document.
