Border information: If you are joining in Ulaanbaatar, you will most likely enter Mongolia at Ulaanbaatar Chinggis Khaan International Airport (IATA code: ULN).

There will be a group meeting today at 6:00pm - please look out for a note from your tour leader at the hotel reception with more information about this important meeting, but please do not be alarmed if the note is not there as this is often a travel day for the tour leader and they may arrive in the afternoon. If you arrive early, the rest of the day will be free to explore the Mongolian capital!

Please note that many of the options listed below will only be possible for those with extra time in Ulaanbaatar before the start of your trip with us - please contact the Sales team if you would like to book pre-tour accommodation with us to have extra time exploring Ulaanbaatar.

Accommodation: Kempinski Hotel

Day 2 - Ulaanbaatar (11th June 2021)

Meals: Breakfast

This morning we head out on a guided tour to see some of Ulaanbaatar's best and most treasured sights, including the Gandan Monastery and the National Museum.

This afternoon we will spend a few hours exploring the Black Market. This huge market contains every single item a Mongolian may need, so a trip here will certainly give visitors a fascinating insight into people's lives, whether they are nomads or urban apartment dwellers.

Day 3 - Ögii Lake (12th June 2021)

Meals: Breakfast, Dinner

Today we drive out of the city and into the vast plains of Mongolia. We hope to arrive at Khar Bukh Balgas ruins in the early afternoon.

Khar Bukh Balgas was built during the Kitan period in about 1000CE, and was part of a chain of fortresses that were used to govern and control the northern region and borders of the Kitan state. Upon arrival at the site, we will explore the ruins and learn about the various kingdoms that dominated Mongolia during that era.

After our visit to the ruins we will drive to Ögii Lake where many nomadic families spend their summer. The lake is famed for its great bird watching opportunities where it is not uncommon to spot a Swan Goose, White Spoonbill and Dalmatian Pelicans.

Please note that we cannot give any accurate drive time estimations for our Mongolia trip as the journey times are heavily dependent on the state of roads, which is in turn heavily dependent on the weather. The roads in Mongolia are mostly dirt tracks in very poor condition, which means that an even greater degree of flexibility is needed for this trip in all regards.

Day 4 - Kharkhorin (13th June 2021)

Meals: Breakfast, Dinner

Today we have an early start as we head to Mongolia's earliest capital, Kharkhorin (otherwise known as Karakoram).

Our first stop on the way to Kharkhorin will be at the Kultigen Monument. This massive stone tomb was built in honour of a Turkic prince and warrior killed in a nearby battle. We then continue on a fairly short drive to Kharkhorin.

Kharkhorin was famed throughout Asia as the capital of the Mongol Empire. We will visit the ruins of the old city, the Erdene Zuu monastery, and other historical monuments in the area.

Day 5 - Orkhon Valley (14th June 2021)

Meals: Breakfast, Lunch, Dinner

Today we head south

Day 6 - Orkhon Valley (15th June 2021)

Meals: Breakfast, Lunch, Dinner

Today we will continue our journey through the Orkhon Valley to the Tuvkhon Monastery, which we can embark on a two and a half hour trek to visit (the first hour will be uphill!). This monastery was established during the 1650s by Zanbazar, one of Mongolia's most respected religious leaders. The monastery's wooden buildings are integrated with a natural system of caves perched near a hilltop, from which you have beautiful views of the Orkhon Valley and the surrounding pine forests.

Day 7 - Tsenkher (16th June 2021)

Meals: Breakfast, Dinner

Today our trip heads north, crossing the Khangai Nuruu Mountains through a series of passes until we reach an area that Mongolians call 'The Paradise of the Horse Herders' due to its lush grasses and open valleys.

We drive to the Tsenkher hot springs, where water flows out of the ground at 82°C, and where we can enjoy a relaxing soak.

Day 8 - Tsenkher (17th June 2021)

Meals: Breakfast, Dinner

This morning we will take a short, easy walk to meet one of the many nomadic families that spend their summers in the region. The afternoon is free to explore the valley and surrounding hills either by foot or by horseback.

Day 9 - Tamir River (18th June 2021)

Meals: Breakfast, Lunch, Dinner

This morning we drive to Tsetserleg, the provincial capital, where we will make a short visit to the local market. If time permits, we will also visit the provincial museum.

We will then continue our journey north past the Tamir river, and will wild camp tonight.

Day 10 - Khorgo Volcano (19th June 2021)

Meals: Breakfast, Dinner

Today we continue north past Taikhar Chuluu (a massive rock which is connected to local mythology) and the Chluulut Canyon to arrive at our ger camp near the Khorgo volcano.

In Chluulut Canyon we will stay at a nearby ger camp.

Day 11 - Khorgo Volcano (20th June 2021)

Meals: Breakfast, Lunch, Dinner

This morning we will take a hike to the top of the Khorgo Volcano and take in the incredible views over its perfect crater. From the top of the volcano we continue our hike through fields studded with pine trees, stopping off en route at the Yellow Dog Cave, an interesting volcanic phenomenon.

We will then return to the truck and continue our journey north. We will aim wild camp tonight in the remote plains north of Khorgo.

Day 12 - Moron (21st June 2021)

Meals: Breakfast

Over the next few days we continue driving north on one of Mongolia's most beautiful routes, crossing high mountain passes, vast grasslands, and small creeks! We will pass by the beautiful alpine Lake Zuun en route.

We hope to arrive at Mörön, the provincial capital, the following afternoon. We will visit the local market, Danzadarjaa Monastery and the local museum. If we don't have time on this section of the trip, then we can visit the town after coming back from Khövsgöl Lake.

We will aim to wild camp near Zuun Lake and near the town of Mörön.

Day 13 - Moron (22nd June 2021)

Meals: Breakfast

We hope to arrive at Mörön, the provincial capital, this afternoon. We will visit the local market, Danzadarjaa Monastery and the local museum. If we don't have time on this section of the trip, then we can visit the town after

coming back from Khövsgöl Lake.

Day 14 - Khovsgol Lake (23rd June 2021)

Meals: Breakfast, Dinner

This morning we will drive out to an ancient burial site featuring Mongolia's mysterious deer stones, these are memorial stones representing important leaders and warriors, carved with deer motifs. After visiting the site, we continue our trip northward to one of the world's biggest fresh water sources, the stunning Khövsgöl Lake.

Khövsgöl Lake and its amazing surroundings are home to several of Mongolia's ethnic minorities as well as a refuge for a wide variety of wildlife. One of the most interesting ethnic groups living near the lake is the Tsaatan, also known as 'The Reindeer People'. A small tribe of Tsaatan consisting of about 40 families lives with its herds of reindeer in the forests around the lake. These graceful animals provide the tribe with all its basic needs - milk, meat and transportation. As there are very few Tsaatan left and this is a mobile population, we may meet them but there are no guarantees - however, the scenery of the area is well worth the exploration.

Day 15 - Khovsgol Lake (24th June 2021)

Meals: Breakfast, Dinner

Today we will take a hike around the forests and meadows near the lake. Lying at about 1650m above sea level, surrounded by mountains rising above 3100m, the waters of Khovsgol are deep and spectacularly clear and pure. We will hike through thick pine forests carpeted with flowers and explore the setting of Mongolia's 'Blue Pearl'.

Day 16 - Moron (25th June 2021)

Meals: Breakfast, Lunch, Dinner

We will spend the next 3 days crossing central-northern Mongolia on our way back towards the capital of Ulaanbaatar. We will aim to wildcamp in the plains east Moron tonight.

Day 17 - Selenge River (26th June 2021)

Meals: Breakfast, Lunch, Dinner

Today's drive offers diversified landscapes from vast, open steppes to beautiful sand dunes. At the end of a long drive day we will camp near the Selenge River

Day 18 - Bulgan (27th June 2021)

Meals: Breakfast, Lunch, Dinner

After packing up camping this morning we will continue on our journey and aim to reach the town of Bulgan where we will find a wildcamp on the outskirts of the town.

Day 19 - Amarbayasgalant Monastery (28th June 2021)

Meals: Breakfast, Lunch, Dinner

This morning we will try to visit the Amarbayasgalant Monastery. Built between 1727 and 1736 by the Manchu Emperor Enkh Amgalan, Amarbayasgalant is among the largest monasteries in Mongolia to have survived the purges of the 1930s. With about 60 monks living and studying here, the monastery functions today as one of Mongolia's central religious institutions, and consists of 29 different temples, all built in the classic Tibetan style.

Day 20 - Ulaanbaatar (29th June 2021)

Meals: Breakfast

Today we have a full day drive from northern Mongolia back to the city of Ulaanbaatar. This evening is free to relax and explore, and to have a well-earned final meal and drinks in one of the city's many restaurants!

Day 21 - Ulaanbaatar - End Date (30th June 2021)

IMPORTANT NOTES

OVERLANDING LIFESTYLE

Dragoman was founded in 1981, and has had many years of experience of leading overland trips across 4 continents. Overlanding is all about sharing a great travelling experience with like-minded people. On your trip you'll travel in one of Dragoman's purpose-built iconic expedition vehicles on an off-the-beaten-track adventure along rugged roads, experiencing the sights, sounds and smells of the world up-close. Your journey will be overland, sometimes across vast distances, so some long days spent driving are inevitable - but these will be interspersed with breaks of a day or two at a destination or activity.

On an overland journey, you are more than just a passenger and everyone gets involved setting up camp - we supply the tent but it's up to you to pitch it! As part of your trip, you will be assigned a truck job which could be collecting firewood or water, luggage loading, organising food, stores, etc. Like all great adventures, the more you put in the more you'll get out! For more details of how an overlanding trip works, please see the Essential Information document.

SAFETY STANDARDS

We run adventure journeys in off the beaten track areas, which often have poor infrastructure. You should expect that some of these areas do not adhere to 'Western' safety standards. For more information, please see the Essential Information document

MEDICAL ASSISTANCE IN REMOTE AREAS

We will be travelling to areas in remote locations where medical assistance will not be available, and communications may be sparse. We do not carry satellite phones on our regular trips. Therefore, if you have a medical condition such as a heart condition that would put you at risk, we would suggest that this is not the trip for you. Also, please be aware that should an emergency occur, there is likely to be a considerable delay in accessing medical care, and by joining our trip you accept this risk.

VISAS, HEALTH, INSURANCE & MONEY

Before you travel there are vital things to consider such as:

- Any visas needed for your trip
- Any vaccinations needed (please consult your GP or travel clinic)
- Organising your local payment (the kitty)
- Buying travel insurance (insurance is compulsory to be allowed to join our trips)

For more information on these topics, please see the Essential Information Document.

MONGOLIA NOTES

MONGOLIA NOTE

Please note that Mongolia has incredibly poor infrastructure, and is one of the most challenging regions that we drive through in the world. Roads are non-existent in much of the country and we will wild camp for several nights in a row in very remote areas. It can also be cold, especially towards the start or end of the season, and there is always the possibility of rain throughout the high season. It will be a miracle if the truck does not get bogged at some point on a trip in Mongolia, and the itinerary may have to vary somewhat due to weather and road conditions so flexibility is of utmost importance.

In general, the summer months (July and August) can be warm during the day but temperatures can still drop to 0°C at night. For this reason we recommend taking warm clothes and a warm sleeping bag for ALL trips in Mongolia. For trips that run during the colder months (June and September to October) we recommend you bring extra warm clothing and an all-season sleeping bag as it is not uncommon for temperatures to fall to -10C, sometimes colder.

We recommend you check local average weather conditions for each country you will be travelling to in order to properly prepare for your trip.

Please ensure you have an up to date version of these notes. **These notes were printed on the 17th May 2021**
